creatable!

Revd March 2002.

Material Safety Data Sheet

2001

Manufacturer: Omnicor, Inc.
2432 W. Peoria, # 1188
Phoenix, AZ 85029
1-800-869-4554

Product: Wikki Stix One-of-a-Kind Creatables

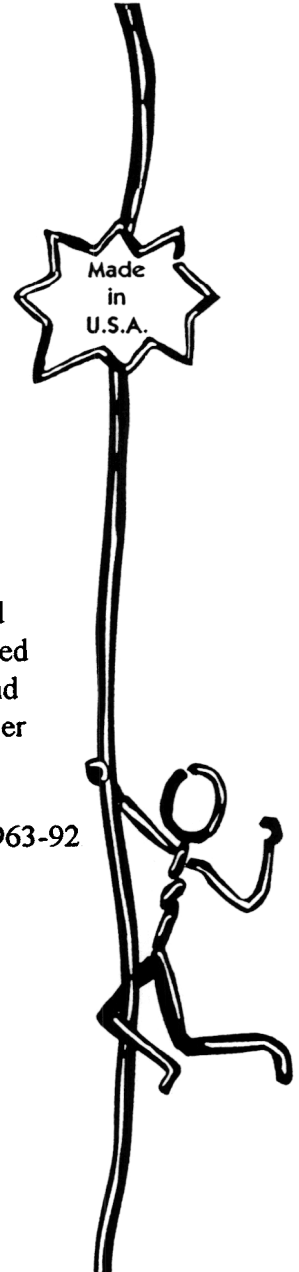

Ingredients: The two components of Wikki Stix are a food-grade wax and a 4-ply acrylic yarn strand. The wax supplier, IGI, has provided detailed information relative to the wax, which is non-toxic and food-grade. Yarn dyes are certified non-toxic as well. Supplier is Coats & Clark.

Additional: Wikki Stix comply with ASTM D-4236, as well as ASTM F963-92. Further, Wikki Stix have undergone testing in the U.K. and conform to BS5665 and EN 71.

Signed
